SUPPORTING CHARITIES
THAT PROMOTE **HEART HEALTH**

2015 COLBY RED CALIFORNIA

COLBY RED is a delicious red wine dedicated to raising funds for cardiac research. This wine is named in honor of Colby Rex Groom, son of Winemaker Daryl Groom and his wife Lisa, who was born with Congenital Heart Disease. After two open-heart surgeries to repair a defective heart valve, Colby now has a St. Jude Medical valve, and is living a healthy and happy life. This wine represents the Groom family's efforts to use their passion for winemaking and viticulture to give back for the help and support Colby received.

VINTAGE 2015 was another stellar growing year in California. Quality across the board was high. We had a lighter crop compared to last year and it was one of the earliest seasons on record. The fourth year of drought, a mild winter causing early bud break, followed by protracted flowering and unseasonably cool weather in spring, contributed to smaller grape clusters and the variable crop size we noticed.

TASTING NOTES The 2015 Colby Red wine, a unique blend of Cabernet Sauvignon, Petite Sirah, Merlot, Zinfandel and Syrah, is a deep crimson color. Aromas of ripe red cherries, raspberries and star anise jump from the glass. The wine is generous on the palate with a rich mouthfeel complemented by well-integrated tannins and bold flavors of red berry and hints of clove spice. The finish is smooth with a slight toasty, vanillin character which lingers and is achieved from oak aging. Easy to drink and enjoy, this wine is a crowd pleaser.
